DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Section 9, the Grounds of Rejection, of the Examiner's Answer mailed April 16, 2008 identifies claims 1-6,8-11,14 and 15 as being unpatentable over Fuscone (GB 2,068,243A). The patent application number listed for Fuscone is incorrect. The correct application number for the Fuscone reference is GB 2,086,243A, as identified in Section 8 of the Examiner's Answer. This was an inadvertent error on behalf of the examiner.
